Dear Pastors,

I'd like to share some money-saving news for your parish.

Many ICS customers use the popular Connover tamper-evident offertory deposit bags. Recently, Connover streamlined its ordering policy and will now require parishes to order directly from them, using a credit card.

ICS has always offered an attractive 5% discount on these products, but with the change in procedure, we worked with Connover to secure a 12% discount for ICS customers.

Attached is detailed info on the new ordering process. Briefly stated, starting March 1, you will be able to use this link <https://connoverpackaging.com/church-cash-deposit-bags/> to reach Connover directly and place an order with your parish credit card. When you plug in the ICS coupon code at checkout ("**ICSsavings**") you will automatically get the tax-free price and the ICS discount.

If you need help determining how many bags or what type to order based on past usage, or if you need help placing your direct order, please contact ICS Customer Care directly at 646-794-2600.

Thanks!
